CO-PILOT COMPANION GUIDE

- Group & Family Coordination Guide:**
- **Assembly Points:** Designate a common assembly point at crowded sights in case anyone gets separated.
 - **Pacing & Accessibility:** Itinerary slots are spaced out to accommodate toddlers and elderly travelers.
 - **Split-Trip Settlement:** Log group payments inside the Split-Trip tab. The system settles debts dynamically.
 - **Shared Vault Locker:** Store group tickets and room bookings inside the shared locker for quick offline access.

MOBILE CO-PILOT INTEGRATION

■ **Live Route Map & AI Assistant:**

Scan this QR code with your mobile camera to load this interactive trip directly onto your phone! From your phone, you can view your live map coordinates, dynamically chat with the AI Travel Co-Pilot, receive alerts, and manage group expenses on the go.
